Diamond Dance LLC Competition Troupe Guidelines

Make sure to read these guidelines thoroughly with your family and child so everyone is aware of the studios expectations.

DIAMOND DANCE IS KNOWN FOR HAVING HIGHLY RANKED DANCERS, TEACHERS, ROUTINES, AND TECHNIQUE AND MUST BE REPRESENTED AS ONE AT ALL TIMES. IT IS IMPORTANT THAT ALL OF OUR COMPETITION TROUPE STUDENTS REFLECT OUR PROFESSIONALISM AND PRESTIGIOUS DEMEANOR.

Competition – To be on competition troupe you must audition. Solo, duos, and trios are based on many different factors. Including, style, technique, attendance, chemistry, readiness, behavior, auditions, but are ultimately determined by the studios teachers and director based on these factors and are subject to change at any time.

Tuition Policy

Tuition is taken out on the 10'th of every month via checking account automatically. Checking account information is taken the day of registration. Tuition will stop being drafted on June 10'th. And will only start back up upon a new registration.

Being a part of our competition team is a large commitment and involves other students/parents schedules, teachers schedules/pay, studio funds/scheduling, choreography, and costuming which affect everyone involved in the event of a resignation. Competition students are contracted with our team for the full dance season September to the end of July of each year.

If a student is not attending nationals your director must be notified in writing at least 4 months prior to the event. Students that are in a duo,trio, more than one group are all expected to attend nationals. Being involved in dances with other students are not to be affected for nationals in anyway. In the event that a competition student resigns during our dance season will have a 3 month continuation of a tuition cancellation fee. In this event tuition will be stopped after the 3 months have ended.

Refund Policy

There are no refunds to any monies paid. This is including but not limited to; competition fees, recital tickets, costumes, tuition, fundraisers, summer classes, performances, and off premise activities.

Ballet/TECHNIQUE is the most important class in a dancer’s life! It is very important that competitions do not miss their ballet class and are dressed appropriately for all classes!

Ballet Attendance when students miss ballet class they will have to make-up in their solo time.

Private Lesson Attendance - If you cannot make your private lesson due to illness, school event, or personal reasons please let your teacher and director know at least an hour before your lesson time, it is a courtesy to our director, the teacher of the lesson, and other students that could be bumped up or down in their time. There are no make-ups, unless director or teacher advises one.

Private Lesson **Requirements**- Students must take ballet if they are going to have a technical solo.

Students waiting room policy - Weather permitting we will always use the back door during classes, you will be excused if you come through the front door during **inclement** weather, please just wait for the routine that is dancing to be finished or kindly walk behind them .

Parents Waiting Room Policy - Parents of children 7 & up are asked to drop off , this includes during, before , or after class, although we love you it is a distraction to our staff as well as your children to have extra guests at any time. Parents are asked to drop off and pick up or kindly wait in their car. This is again for the kids, we as a strongly competitive studio need to stay focused. Parents, if you would like to see your **child's** routine just shoot us an email and we would gladly set up a day for you to pop in!

Studio questions - We kindly ask that all studio questions or competition questions are to be done via email or after the last class of the evening, we do not want to take away anytime from the kids, text messaging to our teachers should only be used for last minute day of scheduling/absentee, please do not text any competition questions or class questions to any staff members, all contacting should be via email to dancediamonddance@aol.com or by phone **908-659-8079** Mondays/Tuesdays 9am-3pm Fridays 9am-3pm

Competition Week - ALL CLASSES ARE MANDATORY the week before a competition weekend!! Our competition schedule for each competition will be emailed at least two weeks prior to the event. Parents are expected to keep the weekend open as we cannot accommodate anyone's personal plans.

Nationals- Is typically 2-4 hrs away. If you are in more than one routine you are expected to stay the entire week as we have zero control on the schedule and when your child would be performing. There are also special events/dance off/ teams/ overall award ceremonies that are all possibilities of being apart of on the last day of the week. We always have a hotel booked for our team which is always posted on our team page on our website for more information. If you are the schedule comes out and you are performing in the beginning of the week and wish to leave early that is something you can discuss with your director at that time.

Competition Attendance - If you need to miss a competition, for a school event, family function, or for personal reasons we ask that you let the studio director know at least 4 months in advance. Missing a competition with or without notice can result in not being allowed to compete in other competitions based on re-blocking and staging depending on the difficulty of spacing. This decision will be based on the teacher of the routine.

Looking forward to another great season,

-Director Tiffany Slowinski

I have read and understand and agree to the guidelines above.
